Eltropol 300

The intelligent electrolytic polishing unit can do simultaneous polishing of two cases at a time. Its New, user friendly operating panel with display and soft keys. There is an Indicator to show when the solution in the polishing bath is in need of change. Its easy drainage of tank via drain hose. Excellent polishing results ensured by uniform movement of the polishing bath. Includes a supplementary cathode with a deep palate and its uniform polishing effect achieved by automatic current stabilization.

Height: 452mm 18"
Width: 400mm 16"
Depth: 275mm 11"
Max Power: 200W
Capacity: 2 liters
Weight: 10kg 22lbs

Item # 101348
