ACCESORIES

 <p>KERR - 100894 Kerr Casting Well/Guard</p> <p><i>Kerr-Casting Well/Guard - A Cylindric casting guard which accommodates casting machines with up to a 19in [48cm] arm swing - NO base and NO cover [protection aro proteccion centrifuga cuna] Unit Dimensions: 19 in diameter x 14 in high [48cm x 35.5cm] (0)</i></p> <p style="text-align: right;">u\$ \$ 184,50</p>	 <p>EDG - 100262 EDG- INDUC CAST MACH REF SYST</p> <p><i>EDG- Refrigeration system (separated) for Induction Casting Powercast - 220 volts - 60hz- Dimensions : Wide : 330mm - Height : 300mm - Deep : 500mm - Weight : 15kg - Volts 220 - MADE IN BRASIL - WWW.EDG.COM.BR - (EDG is the biggest furnace manufacturer in Brasil) Furnaces : also with ONE year warranty on the muffles - SINTERIZARTION FURNACES - 2 years warranty on the muffles - [dental lab equipment horno de porcelana] (0)</i></p> <p style="text-align: right;">u\$ \$ 650,00</p>
 <p>DIXON - 100891 Dixon Casting Well/Guard</p> <p><i>Dixon-Casting Well/Guard - An eight sided casting guard which accommodates casting machines with up to a 23.5in [60cm] arm swing -with sheet metal base and hinged cover to help guard centrifugal casting machines - [protection aro proteccion centrifuga cuna] Unit Dimensions: 23.5 in diameter x 11.5 in high [60cm x 29cm] (0)</i></p> <p style="text-align: right;">u\$ \$ 169,00</p>	

CENTRIFUGA

 <p>VH - 100887 VH Centrif. Casting U. 9.5 inc</p> <p><i>VH- Centrifugal Casting unit machine - 9.5 inches radium - 4 chromium and gold alloys - It is used for casting of low and high fusing - Spring constructed in special Flask tongs - Compatible with standard Kerr crucibles - 5 years warranty including spring - Weight: 7-350 kg Dimensions: Height: 30 cm -Base: 19 diameter x 12 height - arm: 54 cm l (0)</i></p> <p style="text-align: right;">u\$ \$ 179,00</p>	 <p>USDD - 100721 USDD Centrifugal Casting unit</p> <p><i>USDD Centrifugal Casting machine - Strong spring for C&B or chrome cobalt partials- Fits the 4 most used ring sizes - Package ncludes 3 popular sized casting ring craddles & and biggest ring goes direct with no craddle needed- . Flask tongs - - Compatible with standard Kerr crucibles - [exac-u-cast handler-centrifico-centrifical] (0)</i></p> <p style="text-align: right;">u\$ \$ 289,00</p>
 <p>EDG - 100207 C1 Casting Electric Centrifuge</p> <p><i>EDG- C1 Casting Electrical Centrifuge. - with electrical achievement - Acceleration Control - RPM and Timing Control - Security door that initializes the centrifuge sfter closing the door automatically - Weight balance control - Stainless Steel Casting Machine C-1 dimensions: 475 X 450 X 570 mm Weight: 39-5 Kg MADE IN BRASIL - WWW.EDG.COM.BR - (EDG is the biggest furnace manufacturer in Brasil) Furnaces : also with ONE year warranty on the muffles - SINTERIZARTION FURNACES - 2 years warranty on the muffles - [dental lab equipment horno de porcelana] (0)</i></p> <p style="text-align: right;">u\$ \$ 2.200,00</p>	

INDUCTION

EDG - 100622

EDG- INDUCTION CASTING PLUS

EDG- Induction Casting Plus - Induction Melting Machine - all common used alloys - Color Temperature Sensor - Refrigeration system (separated) - 220 volts - 60hz- (This equipments melts the alloy only in the crucible - it does not centrifuge)
Dimensions : Wide : 500mm - Height : 430mm - Deep : 300mm - Weight : 25Kg - Volts 220 - Consumption : 3Kw max - 14 Amp - MADE IN BRASIL - WWW.EDG.COM.BR - (EDG is the biggest furnace manufacturer in Brasil)
Furnaces : also with ONE year warranty on the muffles - SINTERIZATION FURNACES - 2 years warranty on the muffles - [dental lab equipment horno de porcelana] (0)

u\$s 4.400,00

EDG - 100208

EDG- POWERCAST Induction Cast

EDG- Powercast Induction Casting Centrifugal Machine - all common used alloys - Color Temperature Sensor - Fully automatic casting - Argon injection system included - Refrigeration system (separated) - 220 volts - 60hz-
Dimensions : Wide : 630mm - Height : 530mm - Deep : 700mm - Weight : 65Kg [99 kg with wood cradle] - Volts 220 - Consumption : 3Kw max - 14 Amp - MADE IN BRASIL - WWW.EDG.COM.BR - (EDG is the biggest furnace manufacturer in Brasil)
Furnaces : also with ONE year warranty on the muffles - SINTERIZATION FURNACES - 2 years warranty on the muffles - [dental lab equipment horno de porcelana] (0)
