Model Trimmers

Arch Model Trimmer

BESQUAL - 100469 Arch Model Trimmer 110V
BESQUAL - Arch Model Trimmer 110 Volts
Arch Model Trimmer
# 100469 - Mfg # DC30

Features:
The Arch Model Trimmer removes easily the palatal section and other undercuts on stone/plaster models. This Trimmer is Quite, and uses fast cutting carbide burs or sanding drum. For protection it uses a Polycarbonate screen. Can be connected to a Vacuum cleaner or dust collector. No need to be connected to water.

Descriptions:
* Uses 1/4 shank b Easy removal of palatal section and other undercuts on stone/plaster models.
* Build it dust evacuation pipes- ( not the vaccum )
* Quite- Uses fast cutting carbide burrs or sanding drum.

Includes: 1 tungsten carbide Diameter 12 mm x 30 mm long

Shipping Weight: 14 lbs

US$ 194.25

ECCO - 116071 Arch Model Trimmer 220V
ECCO - Arch Model Trimmer 220volts
Arch Model Trimmer
# 116071 - Mfg # DC30

Description:
The Arch Model Trimmer removes easily the palatal section and other undercuts on stone/plaster models. This Trimmer is Quite, and uses fast cutting carbide burs or sanding drum. For protection it uses a Polycarbonate screen. Can be connected to a Vacuum cleaner or dust collector. No need to be connected to water.

Includes: 1 tungsten carbide Diam 12mm x 30mm long

US$ 141.75
**MILLO PRO ARCH TRIMMER - RENFE RT**

**MILLO PRO ARCH TRIMMER - RENFERT**

**Function & Performance**
The Millo (pro) provides the basis for precise model fabrication. The use of the Millo (pro) also increases safety at work and saves time.

**Advantages**
* A powerful, maintenance-free motor provides quick, effortless trimming of dental arches.
* The fine surface finish and absolutely uniform conical surface in the dental arch guarantee functional reliability and accuracy.
* Connection to an extractor unit ensures a clean workstation and a high degree of health protection.

**Features**
* The height of the Millo pro cutter can also be adjusted, thus enabling easy trimming of difficult tooth positions.
* Extractors without automatic switch-on can be automated using a direct connection with the Millo pro.

**Details**
* Completely non-tipping thanks to enlarged base surface.
* Space-saving due to compact design.
* Uncomplicated cutter change using the integrated tool key.
* Detachable work table ensures easy cleaning.

#UsddRenfert
INTEGRAL SYS - 115054 Systems Router  US$ 605.57
ISI898  110v

INTEGRAL SYS - Systems Router ISI898 - 110volts
Arch Model Trimmer
# 115054 - Mfg # DC30

Features:
Integral Systems Precision Routers are designed to
remove the palatal section and other interfering
undercuts on models. Compact and quiet, these units
are engineered with a fast access stainless steel top
top for easy tool changes.

Model ISI-R898: With built-in dust collection

Standard Features:
* Durable metal case
* Integrated Safety Shield
* Long-lasting brushless motor with thermal Safety
  Reset
* One year warranty
* 8.5"w x 8.5"d x 10.75"h
* No special installation is required

What's Included:
* Tapered Carbide Bur (R898CB)
* Sanding Drum/Arbor and 5 Sanding Sleeves
* Dust Collection Kit (Model ISI-R898 only)

FULLY DIAMOND COATED - RENFERT

INFINITY

The fully diamond-coated disc is suitable for all Renfert wet trimmers.

Advantages

* A closed diamond surface produces a very smooth surface finish.
* Extremely resistant and durable.
* High cutting capacity

MARATHON

The partially diamond-coated disc is suitable for both wet and dry trimming.

Advantages

* Electroplated diamond islands.
* High cutting capacity with low pressure application.
* Long service life.

WHIPMIX - 045-09600 Dry Mod Trim 12in 3/4 HP 110V

WHIPMIX - Dry 12in Model Trimmer 3/4 HP 110V 60 Hz with accessories #09600 - 115V/60Hz 3/4 HP. Equipped with a two-position stainless steel Work Table and a 12in x 1/4in coarse Abrasive Wheel. WHIPMIX - Dry Model Trimmer - 12in - 110V

Dry Model Trimmers
# 045-09600 - Mfg # 09600

Features:
* This innovative Dry Model Trimmer was designed with power, performance and safety in mind. Engineered for heavy-duty use, the 3/4 HP wet trimmer operates at a full 1800 RPM.

Standard equipment packaged with each dry model trimmer includes:
* 1- Stainless steel work table
* 1- Deluxe Blue WonderTM Diamond Wheel
* 1- Splash shield
* 1- CleanCut rubber wheel cleaner
* Electricity, 1 1/2” vacuum fitting, and adequate evacuation/ suction is required for proper use of dry trimmer. A high powered dust collection unit is recommended for efficient evacuation of gypsum dust.
* After connection vacuum system, plug the unit into a grounded receptacle having the same electrical characteristics as shown on the Model Trimmer data plate.
Safety features include:
* Inclosed motor
* Special "trip-to-off" safety switch, shuts off motor if the door is opened during operation or in the event of a power failure. Waterproof on/off switch.

Technical Specifications:
* Voltage: 115 V/60 HZ
* Horsepower: 3/4 HP
* Amperage: 8A
* RPM: 1800
* Dimensions: 15” W x 15 1/4” H x 19” D
* Weight: 60 lbs. (27.2 kg)

MT3 MODEL TRIMMER SERIE - RENFERT

MT3 MODEL TRIMMER SERIE - RENFERT

Function & Performance
The MT3 wet trimmer is impressive due to its exceptionally powerful motor. With the MT3 Renfert provides high-performance trimming at a low price.

Advantages
* Quick change of the trimmer table angle using the practical tipping mechanism (90/98).
* Safety: when the front door is opened a safety switch stops the motor and water.
* Uniform coverage by the optimally positioned spray tube prevents clogging of the trimmer disc.
Details
* A 10 inclination of the unit provides an optimum view of the model.
* Easy guidance of the plaster model with the aid of slotted angle lines in the trimmer table.

### 10 INCH MODEL TRIMMERS - WHIPMIX

#### Quality crafted, easy-to-use Whip Mix model trimmers provide excellent cutting action to produce consistently attractive casts.

Available in a 10" or 12" size, all units are constructed of rigid cast aluminum housings and backing plate, and are shipped completely assembled for immediate use.

The 10" model offers a two-position work table and many of the same general features but in a more compact size and at a lower price. The 10" model trimmer requires a space of only 14" wide x 16" high x 15" deep and comes with a coarse abrasive wheel (35.5 cm x 40.5 cm x 38 cm).

**ACCESSORIES FOR MODEL TRIMMERS - WHIPMIX**

**Orthodontic Work Table**

**Electric Water Valve**
Regulates water supply in conjunction with the trimmers on/off switch, saving water and eliminating constant flow adjustment.

**Plastic Sediment Tray**
Designed to fit under all Whip Mix Model Trimmers and most other major brands, this high-impact polystyrene sediment tray is extremely strong yet lightweight and easy to clean. A central platform keeps trimmer clean and dry. Left and right side drain holes make for convenient placement on either side of sink. Unit measures 18" long x 16-1/2" wide x 3" high (45.7 cm x 42 cm x 7.6 cm).

**Water Spray Attachment**
A lever-operated water spray head for easy cleaning of casts.
Splash Shield
Clear plastic shield provides protection from water spray/debris. Model Trimmer Wheels 12" abrasive wheel available in medium, coarse and extra coarse grits. 10" available in medium and coarse grit.

Blue Wonder Diamond Wheels
Diamond particles embedded in fiberglass substrate provide fast, aggressive cutting action. One year guarantee. Available in 10-inch and 12-inch sizes.

12-Inch PSA Disc
Pressure-sensitive discs available in 50 grit.
